Mail with current official transcript* to: Lozier Corporation Sponsorship Selection Board
ATTN: Allison Lasley, Human Resources Manager
6336 Pershing Dr.
Omaha, NE 68110

The primary purpose of the Lozier Sponsorship Program is to afford students an education that will help them become successful technicians with Lozier Corporation. Lozier Sponsorships are awarded by the Lozier Sponsorship Selection Board to students who plan to pursue an associate degree in the Industrial and Commercial Trades program—CNC and Tool and Die Technology (PMTAS) or Electrical/Mechanical Maintenance (IMEM2)—at Metropolitan Community College (MCC) in Omaha.

Applicants will be required to visit MCC's South Campus and visit with instructors so they're comfortable making the decision to attend this college. A Proof of Visit must be signed by MCC.

Finalists will be interviewed by the Sponsorship Selection Board at Lozier. The award recipients will receive a Letter of Confirmation and an Agreement Form. Sponsorship money for tuition, books, and tools will be paid directly to MCC.

Applicants for Sponsorship Programs are considered without regard to race, color, creed, religion, sexual orientation, age, gender, disability, or national origin.

**Grade reports not acceptable.*
